

Seven Ponds Photo Club

- Who:** Seven Ponds Photo Club and Guests
What: SPPC Astro Fun Shoot at Little Sable Light House
Date: Saturday – July 18, 2026
Time: 11:30 PM – ~3:30 AM
Lead: Cindy Bilinsky
Location: [Little Sable Light House](#) [Map](#)
287 N Lighthouse Dr, Mears, MI 49436
Cost: Per park fees
Parking: See Map – Will meet in the parking lot at 8:00 PM
Contact: Cindy Bilinsky 586-588-0300 Please text her so that she knows you are coming.
Lodging: Arrange your favorite accommodations

Amidst the famous sand dunes of Silver Lake State Park stands the spectacular [Little Sable Point Lighthouse](#) at 115 feet tall. Join Cindy for an SPPC Asto fun shoot at Little Sable Light House. We will have a window to shoot the Milky Way between 11:30 Pm and 12:15 AM. There are great sunset opportunities, we can do some light painting of the lighthouse and explore different ways to do night photography.

What to bring: Your camera, a sturdy tripod, and favorite lens (macro, wide-angle, long or zoom).
Optional: A remote shutter release to minimize camera shake. You may also want extra batteries, memory cards, or camera flash, hat, sunglasses, bug spray, flash light, umbrella as needed, red headlamp. Dress per Michigan weather, because temperatures often drop after dark consider warm layers, hat and gloves.
